My visit this time is to register for an upcoming event,
By logging in first, I will be recognized as a member and register for free.

I could go to the event registration screen first,
and when I start to register,
realize I still need to log in to get the member rate for attendance.

So, I click on "events" to proceed.

credit card payment or via pay pal, right here, from our website. If you prefer to mail in your forms, you can choose to renew in that manner.

The screenshot shows a Firefox browser window with the URL <http://evepc.memberlodge.org/Default.aspx?pagelid=854182>. The page features a header with a desert landscape and the text "East Valley Estate Planning Council". A navigation menu on the left includes "Home", "About Us", "Events", "Membership Announcements", and "Presentation Archives". The main content area displays an "Events" section with a "Switch" button. Below this is a calendar for the month of July, with navigation options for "Week", "Month", and "Year".

Annotations include:

- A yellow box on the left: "If you want to be able to automatically have your web browser updated every time an event is added to the EVEPC calendar, you can click to activate the RSS Feed." A red arrow points from this box to the "Events" link in the navigation menu.
- A yellow box in the center: "Some times I like Calendar View, some times I prefer List View. You decide what you like. For the next screen, I'll switch to List View." A red arrow points from this box to the "Switch" button.
- A yellow box at the bottom: "Just like most calendars, I can scroll to the month I am seeking, in this case, September, for the season's first program." A red arrow points from this box to the "Next" button in the calendar navigation.

So, the fun stuff.

Here's where you can see who else is planning on attending.

Also, if you are logged on, you can pretty easily see if you've already registered for an event.

The screenshot shows a Firefox browser window with the URL <http://evepc.memberlodge.org/Default.aspx?pageld=854182&eventId=351830&EventViewMode=EventRegistrationsList>. The page features a header with a desert landscape and the text "East Valley Estate Planning Council". A left-hand navigation menu includes links for Home, About Us, Events, Member Application, and Subscribe to EVEPC announcements. A red arrow points from the "Subscribe to EVEPC announcements" link to a yellow callout box. The main content area displays details for a "Monthly Membership Meeting: September 2011" held on 21 Sep 2011 at Mesa Country Club. Below this, a table titled "Registered attendees (1)" lists one attendee: Melissa Kemp, registered on 07 Jul 2011. The page footer contains copyright information and a disclaimer.

Here's what you see if you click on "who's registered".

Date	Name (including guests)
07 Jul 2011	Kemp, Melissa

The screenshot shows a Firefox browser window with the URL <http://evepc.memberlodge.org/Default.aspx?pageld=854182&EventViewMode=1&EventListViewMode=1>. The page header features a banner with a desert landscape and the text "East Valley Estate Planning Council". A navigation menu on the left includes links for Home, About Us, Events, Member Application, Subscribe to EVEPC announcements, and Membership Announcements. The main content area is titled "Events" and displays "Upcoming events". The first event is "Monthly Membership Meeting: September 2011", which includes the following details:

- When: 21 Sep 2011, 7:15 AM - 8:29 AM
- Location: Mesa Country Club, 660 W. Fairway Drive • Mesa, AZ 85201
- Topic/Title: IRS Update
- Speaker: Wesley Scott, JD

A "Register" button is visible below the event details. A red arrow points to this button. Below the arrow is a yellow text box containing the following text:

Now that I am logged out, I am viewing what non-members see. Even with show details expanded, the "who's registered" option is not available. While I am here though, I'm realizing I don't want to miss Mark Moritz in October... That guy is pretty sharp! I think I'll finish this tutorial and register now for that event!

Below the text box, the "Program Description:" section is partially visible, showing the title "Where There's NOT a Will There's a Way".

Members – Free is not an option....as I'm not logged in.
And, until I am, and a member, I can't see who's coming.
