

Asset Protection and Wealth Preservation planning has been the sole focus of Attorney Ike Devji's legal practice for the last 15 years and he is among the most experienced counsel in this area in the Southwest.

Devji and his colleagues protect over \$5 Billion in personal assets for a national client base that includes thousands of physicians, business owners and entrepreneurs in every imaginable field, and this excludes the value of their businesses. He is a noted national educator (CME, CLE, CE) and author with over 300 nationally published bylines and a frequent speaker on asset protection and risk management who has personally taught thousands of doctors, lawyers and advisors on these issues. He has presented to countless professional organizations including the California Society of CPAs, Lorman, NBI, The Arizona State Bar Association, the Financial Planning Association of Colorado, The American Education Institute, the Arizona Society of CPAs and the Financial Planning Association of Arizona in addition to many others.
